## **GENERAL INFORMATION**

**NOTE:** The information contained here is intended to provide general guidance for those who are preparing to circulate petitions, or expand their knowledge of the nomination process, and is not to be used as a substitute for consulting the Election Law for specific petition requirements.

The current political parties in New York State are:

- Democratic
- Republican
- Conservative
- Working Families

### **Nominating Petitions and Certificates**

Party nominations for elected positions are made by either a designating petition or independent petition. Caucuses are not held in Tioga County for county or town positions.

#### **Designating Petitions**

Designating petitions are used to nominate party members for elected town offices and higher. If more than one valid Designating Petition is filed for the same office and for the same party, then that would force a primary election for that office. Petition instructions are on page 3 - 7 of this packet.

#### **Independent Petitions**

To run for office on a line other than an official party line, one must file an independent nominating petition. A unique party name must be identified on the petition. See Election Law §2-124[2] and §6-138[3] for rules on acceptable party names. An emblem must be included on the petition, which would represent your party name, prior to circulation. We have samples from the state printer. A Certificate of Acceptance (see below) must be filed with this petition. Any registered voter who has not already signed a designating petition for an office, and who is qualified to vote for an office, may sign an independent nominating petition for that office.

## **Certificate of Authorization**

A Certificate of Authorization is needed for a person nominated on a designating petition that is not enrolled in the political party named on the petition. A Certificate of Authorization must be signed and acknowledged by the presiding officer of that party. This form needs to be filed not later than four days after the last day to file the designating petition, certificate of nomination or certificate of substitution to which such authorization relates. A Certificate of Authorization is available at our office or on the State Board of Elections (SBOE) website for those persons eligible to use them.

## **Certificates of Acceptance and Declination**

A Certificate of Acceptance is needed for a **candidate** that is not of the party passing the petition. A Certificate of Acceptance is always needed when filing an Independent Petition.

A Certificate of Declination needs to be filed for any candidate declining a nomination.

The deadlines for filing these certificates are included in the Political Calendar, which is available at our office, on our website or on the SBOE website.

## **RULES FOR PETITION CARRIERS**

\*\*To be eligible to circulate and witness a designating petition for a major party, you must be an enrolled voter of the party in the state. Any registered voter in New York State may carry an independent petition. A petition may alternatively be carried by a Notary Public.

You cannot circulate a petition for a candidate if you have already signed a petition for another candidate for the same office.

- 1) Be sure the upper portion of the petition is properly filled in: including **Party, Date of Election, Name of Candidate, Title of Public Office or Party Position including district, AND Place of Residence** (our office cannot accept just the mailing address). **Failure to have the correct election date will invalidate the entire petition.**
  - a) **Also note:** If two or more offices having the same title are to be filled for different terms, the **term of office** shall be included as part of the title of the office.

- 2) Fill in **vacancy committee**, if applicable, in correct space. Failure to list three (3) eligible voters **will not** invalidate the petition unless a vacancy occurs, which under the NYS Election Law may be filled only by such committee.
- 3) Designating petitions require the number of signatures equal to 5% of the voters currently enrolled in the party within the political subdivision, or the statutory minimum, whichever is less. Independent nominating petitions require the number of signatures equal to 5% of the total number of votes cast for Governor at the last gubernatorial election for the political subdivision. **See Page 7 for signature requirements.**
- 4) All columns must be completed and must be in **ink**. Otherwise, a fatal defect for that signature could become invalid upon objection. Any alteration or correction of information appearing on a signature line, **other than the signature itself and the date**, will not invalidate such signature. The alteration or correction must be initialed.
- 5) In addition to the requirement for the signature, the printed name of the signer may be added, provided that the failure to provide a place to print the name or failure to print a name if a space is provided shall **NOT** invalidate the signature or petition.
- 6) Use current enrollment and registration lists to determine voter's eligibility to sign a petition. They must reside in the political subdivision for the public office or party position listed on the petition. **Fill in the name of the Town in the last column, not village nor post office.** A signature will not be deemed invalid solely because the address provided is the post office address of the signer, if proof that such address is the accepted address of such signer is provided to the BOE no later than three days following the receipt of specific objections to such signature.
- 7) **Witness Statement:** The witness must be an enrolled voter of the same party as the voters qualified to sign the petition and who is a resident in the State of New York. The carrier must witness all signatures on his/her petition. **Do NOT** give a petition to someone else to obtain signatures and then sign your name as the witness. Never allow anyone to sign another name except his/her own.
  - a) You **CANNOT** witness your own signature. You may sign another carrier's petition for the same candidate, but you are advised only to do so when they are finished circulating petitions.
  - b) When you have completed each sheet, print your name on the first line of the Witness Statement where it asks for "Name of Witness". Fill in your party, residence, and number of signatures. Subscribing witness information may be inserted by someone other than the witness provided that it is done prior to the witness signing or in the witness' presence. Information below the witness' signature (Town and County) can be filled in by anyone prior to filing the petition.

- 8) Each petition must be numbered sequentially at the foot of each sheet before being filed. Any two or more petition sheets must be **securely bound** (paper clips are acceptable, but staples or binder clips are highly recommended), which will hold the pages together in numerical order. **All petitions containing ten or more sheets must be accompanied by a cover sheet. Do not number the petition sheets unless you are the person who will be binding or filing the petition.**
- 9) All papers required to be filed pursuant to the Election Law shall, unless otherwise provided, be filed within the given dates located in the front of this petition packet and between the hours of 9:00 am and 5:00 pm.
- 10) All petitions or other legal papers sent by mail in an envelope postmarked prior to midnight of the last day of filing shall be deemed “timely” and accepted for filing when received. However, due to the inconsistency of the mail, it is advisable to file petitions in person at the Board of Elections office.

**\*\*\*\*NOTE:** The above information is provided to assist petition carriers and candidates in the petition process and does **NOT** represent all sections of NYS Election Law associated with nominating petitions. For more detailed information, see ARTICLE 6 of the NYS Election Law, and/or call our office – **(607) 687- 8261**.

## **LAST MINUTE CHECKS**

The following are some common petition errors. Please check your petitions for these errors before filing.

- ✓ Petitions with multiple pages must be **securely fastened**. Acceptable bindings include paper clips, binder clips, staples, etc.
- ✓ Petitions with **10 or more pages must have a cover sheet**.
- ✓ Cover sheet must be completed and **signed**.
- ✓ Petitions pages must be **sequentially numbered** at the foot of the page.
- ✓ Top of petition must have party and **correct date of election as follows:**
  - ✦ **Designating Petition will have Primary Election Date**
  - ✦ **Independent Petition will have General Election Date**
- ✓ Public Office or Party Position must include Town, District and Term of Office (if applicable).
- ✓ Each signature line must have **all** requested data in **ink**.
- ✓ The witness statement must have **all** requested data in **ink**.
- ✓ Any alterations or corrections other than the signature and date must be initialed.

The purpose of this list is to provide filers with common petition errors. It is NOT a complete list of all possible petition errors or requirements per NYS Election Law.

## CAMPAIGN FINANCE

### Who Must File?

All candidates and political committees are required to disclose, at specific times, all of the financial activity made in connection with their campaign or in support or opposition of candidates, committees or ballot proposals/propositions. Such disclosure is made by filing campaign financial disclosure reports.

### When are Reports Filed?

**\*\*Check out the Campaign Financial Disclosure Filing Calendar available on our website or the SBOE website.**

**Election Reports:** There are three campaign financial disclosure reports filed in connection with each primary, general, and special election. The exact dates for filing are found on the political calendar, which you may pick up in our office, from our website, or the SBOE website. The following disclosures are to be filed:

- ✓ 32-day pre-election; **and**
- ✓ 11-day pre-election: **and**
- ✓ 10-day post-election for **primary elections**
- or-**
- ✓ 27-day post-election for **general** or **special elections**

**Periodic Reports:** All candidates and committees obligated to file campaign financial disclosure reports must submit, in addition to any required election reports, periodic campaign financial disclosure reports twice a year on the following dates:

- ✓ January 17<sup>th</sup>
- ✓ July 17<sup>th</sup>

These periodic reports must be filed until such time as the **candidate or committee terminates** (CF-18; Termination or Resignation Request Form/ No-Activity Report Form).

### How are Reports Filed?

**All campaign finance filings are to be submitted directly to the  
New York State Board of Elections.**

Filers will need to acquire a Filer ID# and log-in information from NYSBOE. For detailed information on how to file reports, visit the NYSBOE campaign finance web page (<https://elections.ny.gov/campaign-finance>), or call the **Campaign Finance Unit** at **1-800-458-3453** OR **518-474-8200**, or email [cinfo@elections.ny.gov](mailto:cinfo@elections.ny.gov).

## **Which Reports are Required to be Filed?**

Candidates are obligated to file campaign financial disclosures unless they have an authorized committee which has registered with the NYS Board of Elections and the candidate is not going to raise or spend money themselves, except through their authorized committee. In this case, the candidate must file only a form [CF-16](#) (Candidate's Authorization for a Committee to make Campaign Financial Disclosures). This statement names the candidate's authorized committee that will file the financial disclosure statements on the candidate's behalf. The committee must file the form [CF-02](#) (Committee Registration/Treasurer and Bank Information) and [CF-03](#) (Committee Authorization Status). If the named treasurer does not file these documents ([CF-02 & CF-03](#)) which indicate that he/she has accepted the responsibility for filing the financial reports, then that responsibility remains with the candidate. In that case, the candidate must file a [CF-04](#) form to register and request a NYSBOE Filer ID#.

**After the candidate/committee has filed the appropriate form(s) via mail, NYSBOE will send a Filer ID# and an email to set up a user log-in for the [Electronic Filing System \(EFS\) Web Application](#). All filers are now required to submit reports electronically via the EFS Web Application, unless a waiver has been granted by the NYSBOE.**

Candidates who run their own campaigns (without a committee) **and** candidates with an authorized committee, who raise and spend monies outside of their committee, are required to file either "In-Lieu-Of", "Itemized" or "No-Activity" Financial Disclosure Statements. To file a report electronically, you must use your personal Filer ID information to log into the [EFS Web Application](#). Through this application, filers can create, submit, and view disclosure reports.

- You qualify to file an **In-Lieu-Of Statement** if you are a candidate and/or authorized committee solely supporting one candidate, or a ballot proposition committee, and if, at the close of each reporting period for which such statement would be required, neither the total receipts nor the total expenditures of the campaign have exceeded \$1,000, including the candidate's own money.
- An **Itemized Statement** is required once the \$1,000 threshold is exceeded. You must now file an itemized statement covering all transactions since the beginning of the campaign. Also, once an itemized report is required, you may not file an In-Lieu-Of Statement for any future reporting.
- A **No-Activity Statement** is to be filed by itemized filers when there are no transactions to report for the reporting period (i.e., receipts and/or expenditures).

**Exemptions:** In some instances, candidates or committees may be exempt from filing campaign financial disclosures. In these circumstances, the filer must submit a Claim of Exemption form ([CF-05](#)) and indicate one of the following reasons for being exempt:

- a. I am a candidate and I have not/will not receive or spend more than \$50 for my campaign, including my own personal funds.
- b. I am the treasurer of a committee formed solely to support or oppose a ballot proposition and the committee has not/will not raise or spend over \$100 relative to the ballot proposition.
- c. *For those in a town, city or village having a population under 10,000:* 1) I am a candidate for public office, or treasurer of an authorized committee solely supporting one candidate for public office, or treasurer of a committee solely supporting or opposing a ballot proposition; and 2) the receipts or expenditures of the candidate or committee will not exceed \$1,000 in the aggregate for the campaign.
