Dear Operator,

Tioga County and Board of Health requires all annual and seasonal food service establishments to have at least **one person that has an up-to-date Food Course certification on duty at all times while in operation.** Those passing the test will be issued a red certification card that is good for 2 years. This card should be kept at the establishment to verify passing the course.

Anyone wishing to take the Food Course must fill out an application and return it to Environmental Health with the necessary fee. Enclosed, please find a food course application for your convenience. Each person will receive a **Personal Code Number by email** to gain access to the Food Course Quiz.

**All applications and fees must be submitted to the Tioga County Health Department, Division of Environmental Health, 1062 State Route 38, P.O. Box 120, Owego, New York 13827.** Please make all checks payable to *Tioga County Treasurer.*
