FINANCIAL

The monthly financial reports were accepted as presented.

NEW BUSINESS

The Clerk reported that the revenue from the Clerk's office will most likely reach the budgeted goal for 2020 despite the pandemic. The revenue from fees and sales tax in the DMV will probably fall short of the budgeted amount due to the pandemic while the revenue from Auto Use Fees is projected to exceed the amount budgeted for 2020. DMV customers continue to send positive comments about their experiences at the DMV.

The Clerk presented the DMV production report for December. The report shows that the number of Enhanced license upgrades has increased from last month's numbers.

Respectfully submitted,

Andrea Klett
Tioga County Clerk
