Dear Operator,

Tioga County Public Health and Board of Health require all annual and seasonal food service establishments to have at least **one person that always has an up-to-date Food Course certification on duty while in operation.** Those passing the test will be issued a red certification card that is good for 2 years. This card should be kept at the establishment to verify passing the course.

Anyone wishing to take the Food Course must fill out an application and return it to Tioga County Public Health. **There is no fee.** Enclosed, please find a food course application for your convenience. Each person will receive a **Personal Code Number by email** to gain access to the Food Course Quiz.

All applications must be submitted to Tioga County Public Health, 1062 State Route 38, P.O. Box 120, Owego, New York 13827.

The website for the Food Course is:
