

Municipal Solar Projects Best Practices & Policies RFP QUESTIONS & ANSWERS

QUESTION: What is the County’s anticipated budget for this effort?

ANSWER: The County is not disclosing the budget for this effort. Please provide best estimate of cost based on services requested.

QUESTION: Does the County expect the consultant to present findings in a public forum or simply provide a report?

ANSWER: Simply provide a report.

QUESTION: How much, if any, stakeholder engagement is desired?

ANSWER: The only stakeholder identified is the Tioga County Industrial Development Agency (TCIDA), and they will be folded into the Project Committee, as answered in next question.

QUESTION: Will there be a Project Committee?

ANSWER: Yes. The following are members of this Project Committee-

LeeAnn Tinney – Director, Department of Economic Development & Planning

Ellen Pratt – Sustainability Manager

Elaine Jardine – County Planning Director

Wendy Walsh – District Manager, Tioga County Soil & Water Conservation District (TCSWCD)

Christine Curtis – Executive Administrator, Tioga County IDA

TBD - Tioga County IDA Board Member

QUESTION: What are the selection criteria for the consultants?

ANSWER: The Project Committee will be using a specific rating sheet to evaluate proposals received. These criterial generally include qualifications and relevant experience of the firms, as well as methodology, timeline and budget specific to this project.
